

STATE OF TEXAS

In the Commissioners Court

Of

COUNTY OF BREWSTER

Brewster County, Texas

RESOLUTION

WHEREAS, certain areas of Brewster County are subject to periodic flooding, causing serious damage to properties within these areas; and

WHEREAS, it is the intent of this Commissioners Court to require the recognition and evaluation of flood hazards in all official actions relating to land use in areas having these hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses;

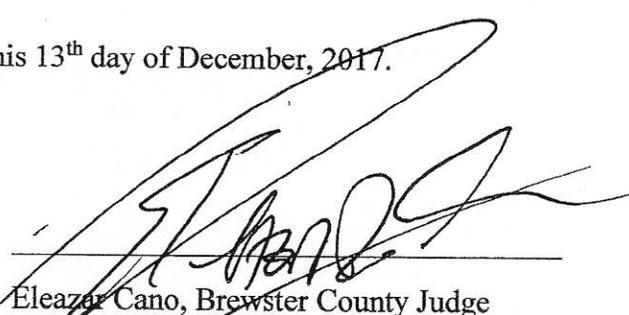

NOW, THEREFORE, BE IT RESOLVED, that this Commissioners Court hereby;

1. Assures the Federal Emergency Management Agency that it will enact as necessary, and maintain in force, in these areas having flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the criteria set forth in Section 60 of the National Flood Insurance Program regulations; and
2. Vests David J. Lambrix, Brewster County Emergency Management Coordinator, with the responsibility, authority and means to:
 - A. Assist the Administrator, at his/her request, in the delineation of the limits of the area having special flood hazards.
 - B. Provide such information concerning present uses and occupancy of the floodplain, mudslide (i.e., mudflow) or flood-related erosion areas as the Administrator may request.
 - C. Maintain for public inspection and furnish upon request, for the determination of applicable flood insurance risk premium rates within all areas having special flood hazards identified on a Flood Hazard Boundary Map (FHBM) or Flood Insurance Rate Map (FIRM), and certificates of floodproofing, and information on the elevation (in relation to mean sea level) of the level of lowest floor (including basement) of all new construction or substantially improved structures, and include whether or not such structures contain a basement, and if the structure has been floodproofed, the elevation (in relation to mean sea level) to which the structure was floodproofed.
 - D. Cooperate with Federal, State and local agencies and private firms which undertake the study, survey, map and identify floodplain, mudslide (i.e. mudflow) or flood-related erosion areas, and cooperate with neighboring communities with respect to management of adjoining floodplain,

mudslide (i.e. mudflow) and/or flood-related erosion areas in order to prevent aggravation of existing hazards.

- E. Upon occurrence, notify the Administration in writing whenever the boundaries of the community have been modified by annexation or the community has otherwise assumed or no longer has authority to adopt and enforce floodplain management regulations for a particular area. In order that all FHBM's and FIRM's accurately represent the community's boundaries, include within such notification a copy of a map of the community suitable for reproduction, clearly delineating the new corporate limits or new area for which the community as assumed or relinquished floodplain management regulatory authority.
 - F. Submit an annual report to the Administration concerning the community's participation in the program, including, but not limited to the development and implementation of floodplain management measures. ✓
- 3. Appoints David J. Lambrix with the responsibility, authority, and means to implement the commitments as outlined in this resolution.
 - 4. Agrees to take such other official action as may be reasonable necessary to carry out the objective of the adopted floodplain management measures

Adopted by Unanimous vote on this 13th day of December, 2017.
